National Severe Weather Warning Service- Open Licence (Version 1)

Access to Information under this licence via Met Office Weather DataHub

This licence is supplemental to the Met Office Weather DataHub Terms and Conditions and shall govern the licensing and your Use of the Information. If there is an inconsistency between any of the provisions of this licence and the provisions of Part IV of the Met Office Weather DataHub Terms and Conditions, the provisions of this licence prevail. Save as expressly provided in this licence, the Met Office Weather DataHub Terms and Conditions shall remain unchanged and in full force and effect.

Using Information under this licence

Use of copyrighted material expressly made available under this licence (the 'Information') indicates your acceptance of the terms and conditions below.

The Licensor grants you a worldwide, royalty-free, perpetual, non-exclusive licence to use the Information subject to the conditions below.

This licence does not affect your freedom under fair dealing or fair use or any other copyright or database right exceptions and limitations.

The Licensor may, from time to time, issue new versions of the National Severe Weather Warning Service- Open Licence. If you are already using Information under a previous version of the National Severe Weather Warning Service-Open Licence, the terms of that licence will continue to apply.

These are important conditions of this licence and if you fail to comply with them the rights granted to you under this licence, or any similar licence granted by the Licensor, will end automatically.

You are free to:

- copy, publish, distribute and transmit the Information;
- adapt the Information;
- exploit the Information commercially and non-commercially for example, by combining it with other Information, or by including it in your own product or application.

You must comply with the following conditions (where you do any of the above):

- If the Information being redistributed is modified in any way, it must be redistributed along with the same Information without any material change or modification.
- If the Information is redistributed, the source of the Information must always be displayed as: “Met Office Weather Warnings” and/or the Met Office logo where any Met Office warnings content is displayed. The Licensor gives you the right to use the Met Office logo, which is a registered trade mark in the United Kingdom, the European Union, and other countries, in conjunction with the Information, provided you display it in accordance with the current Met Office branding guidance available at: https://www.metoffice.gov.uk/policies/website.

- If the Information is redistributed in the UK, the following attribution statement must be displayed: “© Crown copyright [year of first publication], Met Office”.

- If the Information is redistributed outside the UK, the following attribution statement must be displayed: “© British Crown copyright [year of first publication], Met Office”.

- The time of issue of the Information being redistributed, as indicated on the Met Office website at the time the Information is extracted, must be included in any redistribution.

- Any Information being redistributed through internet applications must include a link to the following URL: https://weather.metoffice.gov.uk/warnings-and-advice/uk-warnings

- Any Information being operationally redistributed must always be made available to users in real-time, with the delay between the publishing on the Met Office website and the redistributor's website being on average less than five minutes and never longer than ten minutes.

- All redistributors must publish the following disclaimer: "Time delays between this website and the metoffice.gov.uk domain are possible. For the most up-to-date awareness information as published by the Met Office, please refer to https://www.metoffice.gov.uk/

You are recommended to:

Follow the Met Office Weather Warnings Style Guide for Developers when using the Information for any permitted use under this licence. This can be found here - nswws-style-guide-update-v1.3-final.pdf.

Exemptions

Unless expressly indicated otherwise, this licence does not cover:

- personal data in the Information;
- departmental or public sector organisation logos, crests and the Royal Arms except where they form an integral part of a document or dataset;
- military insignia;
- third party rights the Licensor is not authorised to license;
- other intellectual property rights, including patents, trade marks, and design rights; and
- identity documents such as the British Passport

Non-endorsement

This licence does not grant you any right to use the Information in a way that suggests any official status or that the Licensor endorse you or your use of the Information.

No warranty

Use of the Information is entirely at your own risk. The Licensor excludes all warranties or representations (express or implied) including any in respect of the accuracy, compatibility, performance, or fitness for purpose of the Information to the fullest extent permitted by applicable law. The Licensor does not guarantee the continued supply of the Information.

Governing Law

This licence is governed by the laws of England and Wales. The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of, or in connection with, the Licence or its subject matter or formation (including non-contractual disputes or claims).

Definitions

In this licence, the terms below have the following meanings:

'**Information**' means information protected by copyright or by database right (for example, literary and artistic works, content, data and source code) offered for use under the terms of this licence.

'**Licensor**' or the '**Met Office**' means the Met Office for and on behalf of the Secretary of State for Science, Innovation and Technology of the United Kingdom of Great Britain and Northern Ireland, whose principal place of business is at Fitzroy Road, Exeter, Devon, United Kingdom, EX1 3PB.

'**Use**' means doing any act which is restricted by copyright or database right, whether in the original medium or in any other medium, and includes without limitation distributing, copying, adapting, modifying as may be technically necessary to use it in a different mode or format.

'**You**', '**you**' and '**your**' means the natural or legal person, or body of persons corporate or incorporate, acquiring rights in the Information (whether the Information is obtained directly from the Licensor or otherwise) under this licence.

About

National Severe Weather Warning Service (NSWWS) is exclusive to the Met Office, the National Meteorological Service of the United Kingdom. NSWWS is recognised by the UK government as the weather warning service for the UK and are issued to warn the public and emergency responders of the likelihood of severe or hazardous weather and expected impacts to infrastructure or a danger to life. NSWWS prioritises safety, consistent information and information to help individuals prepare for and respond to severe weather events.
