# Declaration form A

Copy of article or part of a published work

---

Name

Address

Post code

I declare that:

- I have not previously been supplied with a copy of the same material by you or any other librarian.
- I will not use the copy except for research, **for a non-commercial purpose** or private study and will not supply a copy of it to any other person, and to the best of my knowledge, no other person with whom I work or study has made or intends to make, at or about the same time as this request, a request for substantially the same material for substantially the same purpose.

**I understand that if the declaration is false in a material particular, the copy supplied to me by you will be an infringing copy, and that I shall be liable for infringement of copyright as if I had made the copy myself.**

\*This must be the personal signature of the person making the request. A stamped or typewritten signature, or the signature of an agent or other third party, is not acceptable.

Our unique collection of weather images is now available via the National Meteorological Library and Archive's online catalogue.

The collection illustrates all aspects of meteorology, from clouds and weather phenomena, to instruments and the work of the Met Office. Our online catalogue can be found at:

**[www.metoffice.gov.uk/learning/library](http://www.metoffice.gov.uk/learning/library)**

All of the fact sheets in this series are available to download from our website

The full list can be found at:

**[www.metoffice.gov.uk/learning/library/publications/factsheets](http://www.metoffice.gov.uk/learning/library/publications/factsheets)**
